

Artur Stasieluk, Academic Advisor

Hello! My name is Artur and I am one of the academic advisors at Triton. I am looking forward to working with you!

Assigned Programs:

- Criminal Justice (Criminal Justice Administration, Criminal Justice Transfer)
- Education Transfer (Early Childhood, Elementary, Secondary, Special)
- Early Childhood Education
- Emergency Medical Technician Certificate
- Fire Science
- Wellness (Health, Sport & Exercise Science Transfer, Personal Trainer, Sports Conditioning)

What to expect: When meeting with me, you can expect to discuss what you are trying to pursue and what you are looking for in your college experience. If you are undecided, we can talk about things that interest you and the different programs we have on campus. Additionally, we will go over what being a college student entails and my goal is to give you the resources to be able to navigate the college experience and be a successful, independent, college student.

About me: I am from the Chicagoland area and I love to try new restaurants, spend time outside hiking, and cook in my free time.

Tips for success: Be on time and utilize the resources on campus. The college experience is different, you do not have to navigate it alone, so please seek assistance (tutoring, advising, counseling, etc.) if you need it.
