

Operational Assembly: Hilary Meyer provided the following highlights. The 2024 Fact Book is now available online. There is an extensive discussion about Early College, exploring the Dual Enrollment Career Academy new programs and support resources available for the dual degree students. The ETRC is up and running in the library, providing tech support. Programming for Black History Month – the event schedule is available on our website. The Smart Board refresh project is complete. Kudos for college-wide efforts supporting our enrollment.

Academic Senate: Beth Dunn reported that the Senate has not met yet this year (first meeting of 2025 on February 11). The Senate website has been updated, including the new meeting link in Ultra.

Student Success: Gregg Beglau presented an overview of Guided Pathways through the lens of the Adult Education Department. He talked extensively about the Gear Up program and its intentionality from first contact.

Strategic Plan Goals 2 & 3 Updates: Hilary Meyer, Colleen Rockafellow, Purva DeVol, and Paul Jensen provided a mid-year progress report for the Strategic Plan Goals 2 and 3, highlighting their action plans, steps taken so far and KPI targets for each goal. There was a discussion among presenters, audience and college council members.
