“Triton College is a Wonderful Host”

President Mary-Rita Moore shared excerpts from a letter received from community members grateful for the many Triton activities they’ve attended on campus, including the Holiday Festival of Trees, Car Show, concerts, athletic events, and Cernan Center shows. The letter stated “Triton has provided us with a ‘space’ close to home where we have felt safe and welcome” as they attended events that “provided fun and memories that we still talk about.”

Vice Chairwoman Diane Viverito, who recently attended a Triton basketball game with family members, encouraged everyone to come to athletic events and enjoy Triton’s exciting teams.
