## Welcome and Care

**Welcome:** Recruitment, Expectations Set, Promises Made, Commitment to Diversity, Removing Barriers, Embracing Assessment

**Care:** Retention, Expectations Met, Promises Kept, Evidence of Equity, Encouraging New Learning Opportunities, Advancing Change

# Welcome and Care for Students

### TRITON PRIDE

**STUDENT SUCCESS**  
**TRITON STUDENTS HONORED FOR ACTIONS DURING MERCY HOSPITAL SHOOTING**

Between juggling a full-time job, attending Triton College and being a single mother of two daughters, Nadia Campbell (pictured left, with daughter Kaylin) is used to a hectic lifestyle. Perhaps that's why she was able to remain calm and focused in the face of a tragedy that is unimaginable for many people.

On Nov. 19, 2018, Campbell, a student in Triton's Nuclear Medicine Technology Program, had just finished her clinical assignment shift at Mercy Hospital in Chicago when she saw a rush of people running from the emergency room to the main lobby. A person had been shot in the parking lot and it was uncertain whether the shooter had entered the building.

### We are igniting careers.

### WE ARE TRITON.

Gain the in-demand skills that employers are looking for with Triton's Welding Certificate Program. Welding processes including ARC, MIG and TIG welding are covered along with other important skills like blueprint reading and metal fabrication processes.
