- i. S.E.E.D Student Community Employment Experience
VP Koslow Martin reported the S.E.E.D (Skill Enhancement and Employee Development) Program is a program for students who may not be ready for college after high school but want to continue in a program to assist them in getting ready to be more independent. This 30-week program requires 120 hours of classroom instruction, 30 hours of an on-campus employment experience, and 75 hours of off campus community employment experience for students to complete the program and receive a certificate from the College's School of Continuing Education. Currently, there are 12 students in the program.
