**Explain why the budgeted funds are no longer required for this fiscal year, and are available to be transferred:**

With 73% of funds from this line still available, we are comfortable moving dollars. In addition, these funds were expected to be pulled from this line (Supplies), but we were directed to pull the funds from "Other Materials and Supplies" instead.

**TRITON COLLEGE, District 504  
Board of Trustees**

Meeting of March 25, 2025

ACTION EXHIBIT NO. 17176

**SUBJECT: AMENDMENT TO AT&T BROADCAST SERVICES AGREEMENT**

**RECOMMENDATION:** That the Board of Trustees approve an Amendment of the Agreement with AT&T Broadcast Services (BOT approved 9-24-2024) that facilitates the high definition video transport (HDTV) of Triton’s cable channel from the main campus TV studio to Comcast’s facility in Elmhurst, IL. The duration of the contract is for 69 months, from October 1, 2024 through June 30, 2030. The cost of fiber delivery services remains the same as the previous Agreement and shall not exceed \$1,573 per month for an annual cost of \$18,876, with an additional \$12,000 allocated per fiscal year to cover taxes and surcharges.

**RATIONALE:** This Agreement will engage AT&T for the delivery of a high definition signal to Comcast and will facilitate the conversion of Triton’s broadcast channel to HDTV. Triton’s cable channel reaches approximately 600,000 cable households throughout the greater Chicago metropolitan area. Six years ago, Triton’s television studio ceased broadcasting from Sears Tower as result of the Lease Agreement with Clearwire (Sprint Corp.) (A.E. 16089). The Clearwire Agreement provides monthly reimbursement to Triton for fees associated with the delivery of Triton’s broadcast signal for the duration of the Sprint Contract (30 years).

**SUBJECT: PROPOSED INCREASE TO FRANECZK PROFESSIONAL LEGAL SERVICES RATES**

**RATIONALE:** Franczek has served as one of Triton’s primary General Counsel since 2018. **SUBJECT: FACILITY FEE WAIVER: COOK COUNTY CLERK'S OFFICE (DATE ADJUSTMENT)**

**RECOMMENDATION:** That the Board of Trustees approve an Agreement with the Cook County Clerk's Office to utilize Triton College facilities (R221) for the April 1, 2025 elections, between 4:00 a.m. and midnight, as a site for the Regional Distribution Center. Triton College has been notified that the elections will be held on April 1, 2025 (not April 8 as originally approved by the Board on March 21, 2023; AE #16843). The County will pay the College \$400 per date for the use of facilities to cover maintenance, setup and cleanup. The total value of the facility fee waiver is estimated at \$3,500 per date.

**RATIONALE:** Triton College has developed intergovernmental relationships with Cook County and this usage maintains intergovernmental relations and provides services to the local communities. Required I.T. Network Services are contracted individually with a college employee for this date.

**SUBJECT: COSTCO PURCHASING CARDS**

**RECOMMENDATION:** That the Board of Trustees approve the Vice President of Business Services to obtain a Costco Credit Card for authorized users, including the Vice President of Business Services, Purchasing Manager, Executive Director of Finance, and Associate Vice President of Business Operations. The cards will be used within the College's existing purchasing and budget guidelines. It has no annual fee and will be paid off in full each month to avoid interest charges.

**RATIONALE:** The Costco Credit Card will allow various college departments to purchase essential items, like food and supplies, at competitive prices with free delivery. It simplifies purchasing with online orders and offers 2% cash back on all Costco purchases. With no annual fee, this card also eliminates the need for creating checks on delivery, freeing up other purchasing cards and credit lines for greater flexibility in managing the College's budget and procurement.

**SUBJECT: CERNIGLIA UNDERGROUND CONTRACTORS VENDOR LIMIT INCREASE**

**RECOMMENDATION:** That the Board of Trustees approve an FY25 vendor limit increase to \$50,000 for Cerniglia Underground Contractors.

**RATIONALE:** This limit increase covers emergency repairs already performed and allows for additional underground repairs, up to \$15,000 if necessary. Cerniglia Underground Contractors is one of the Village of River Grove approved underground contractors. River Grove dispatched Cerniglia Underground Contractors to respond to multiple emergency underground water main breaks that occurred this winter at the R Building. To date we have spent approximately \$9,500 with Cerniglia Underground Contractors. The most recent R Building emergency repair is \$25,076.26. This spend will bring our annual spend with Cerniglia Underground Contractors to \$34,552.51 which exceeds the Board of Trustees \$25,000 annual limit. This is allowable per the Illinois Public Community College Act 110 ILCS 805/3-27.1 (j) contracts for repair, maintenance, remodeling, renovation, or construction, or a single project involving an expenditure not to exceed \$50,000 and not involving a change or increase in the size, type, or extent of an existing facility.

Meeting of March 25, 2025

ACTION EXHIBIT NO. 17181

**SUBJECT: TRUST AGREEMENT WITH BMO BANK FOR  
CDB PROJECT – R BUILDING ROOF REPLACEMENT**

**RECOMMENDATION:** That the Board of Trustees approve the Trust Agreement with BMO Bank for CDB Project 810-096-035, which involves replacing approximately 69,000 square feet of roofing on the R Building. The Agreement will be effective once approved by the Board; after all parties have executed the document; and the account is fully funded. The Trust Account ensures the funds are available to meet Triton College’s obligation for the project. Triton College’s commitment of \$1,208,448 represents 25% of the total project cost of \$4,833,792, with the State of Illinois covering the remaining 75%.

**RATIONALE:** The roof of the R Building, a 93,746 square foot structure built in 1981, is in deteriorated condition with many areas of water infiltration and requires replacement. This project is necessary to maintain the building’s integrity. Triton College’s share of the cost is 25%, and establishment of the Trust guarantees the funds for its portion. No expenditures are expected in fiscal year 2025, but the Trust must be funded now for the project to be scheduled and to proceed smoothly. Triton College has the liquidity to support this commitment without impacting current operations.

The right of the Executive Director or the Administrator of Fiscal Management of the Capital Development Board to direct payment is restricted in that any such funds so directed shall be made payable only to: "The Order of State Treasurer of Illinois, Capital Development Board, Contributory Trust Fund".

7. That the BANK shall pay such funds within two (2) working days upon the receipt of the written direction of the Executive Director or the Administrator of Fiscal Management of the Capital Development Board, and that any agreement between the BANK and the USING EDUCATIONAL AGENCY, shall, in no way, affect the duty of the BANK to so pay upon demand.

Meeting of March 25, 2025

ACTION EXHIBIT NO. 17182

**SUBJECT: STATE OF ILLINOIS ROCK SALT JOINT PURCHASING PROGRAM**

**RECOMMENDATION:** That the Board of Trustees approve participation in the “State of Illinois Joint Purchasing Program” that allows governmental units to participate together in solicitation of the state’s CY2025 - CY2026 Joint Purchase Master Contract for Rock Salt. The resulting joint purchase master contract will be for a one (1) year contract with no options to renew. There is no cost to this participation authorization. The amount spent on salt in FY24 was \$34,440 for 500 tons.

**RATIONALE:** Illinois Central Management Services (CMS) is requiring units of local government to submit documentation identifying in advance a designated person who is authorized to enter into agreements on behalf of the governmental body. This documentation is required by the state before the college can participate in the upcoming solicitation for winter rock salt. This is not an award of any bid, but rather an authorization to participate in the bidding process.

**SUBJECT: COMMERCE BANK EXPENSE CARD PROGRAM**

**RECOMMENDATION:** That the Board of Trustees authorize the College Treasurer to acquire 40 additional prepaid expense cards from Commerce Bank, Kansas City, MO, to enhance the prepaid expense card program and to reduce the distribution of cash to student and staff travelers. The administrative cost for 40 cards will not exceed \$960 per year (\$2 per month/card).

**RATIONALE:** Board exhibit (#16256) approved March 19, 2019, authorized 10 prepaid expense cards. With 40 additional cards, the total number will be 50, bringing the administrative cost to \$1,240 per year. Expense cards shall replace checks or cash advances issued for staff or student travel, only for preapproved college activities such as Athletic Team road games, Model Illinois Government (MIG) and Model United Nations (MUN), as well as Troy Rides for in-district Lyft transportation. Prepaid cards reduce fraud risk; eliminate the risk of carrying cash and offer real-time monitoring and secure, controlled fund access. Each traveling staff member or student will be assigned a pre-approved card for travel, which the Business Office will load with the approved amount before and during the trip, thereby managing the cards within existing college travel expense procedures. Purchases are restricted by college purchasing procedures. Unused funds are removed and returned to college account after travel. Cards are returned to the Business Office for future use and distribution. Lost cards can be cancelled immediately upon receiving administrator notice of the loss.

Board of Trustees**

Meeting of March 25, 2025

ACTION EXHIBIT NO. 17187

**SUBJECT: ADDITION AND CHANGE OF COURSE FEES FOR INCLUSIVE ACCESS PROGRAM EFFECTIVE FALL 2025**

**RECOMMENDATION:** That the Board of Trustees approve the inclusion of the cost of digital course materials in the course fees for eight courses in Accounting, Criminal Justice, and Mathematics and a change in course fees for eighty-four Accounting, Biology, Business, Chemistry, Criminal Justice, Engineering Technology, Health, Mathematics, Music, Psychology, Rhetoric, Sociology, and Speech courses as part of the McGraw Hill and Pearson Education “Inclusive Access” program (See Attached List). Students pay the appropriate fees to Triton College when they pay their tuition. The full fee for these select courses shall be remitted by Triton College to Follet. Students are not charged for course materials if they drop the class during the “full refund” period. The projected cost to Triton College includes any expense of collecting the fee, including but not limited to losses realized from students who do not pay the College their tuition and fees.

**RATIONALE:** By including the cost of instructional materials into the overall course fee, the “Inclusive Access” program provides students with access to the required instructional materials as early as one week prior to the first day of class. This practice has demonstrated an increase in retention and success rate in course sections utilizing “Inclusive Access” compared to those that did not. Triton College earns a 7% commission from Follet on all digital course materials.

**SUBJECT: AWARDSRING SCHOLARSHIP MANAGEMENT SOFTWARE AGREEMENT**

**RECOMMENDATION:** That the Board of Trustees approve a five-year Agreement with AwardSpring, LLC. This Agreement includes a setup fee, an annual subscription and support for AwardSpring Pro software. The term of this Agreement will run from July 1, 2025 through June 30, 2030 for a cost of \$11,099 in FY25; \$9,099 in FY26; \$9,099 in FY27; \$9,099 in FY28; and \$9,099 in FY29 for a total five year cost to the College of \$47,495.

Meeting of March 25, 2025

ACTION EXHIBIT NO. 17190

**SUBJECT: TECHNOLOGY FEE UPDATE**

**RECOMMENDATION:** That the Board of Trustees approve an increase in the Technology Fee from \$6 per credit hour to \$10 per credit hour, effective Fall 2025.

**RATIONALE:** The Technology fee was last updated in 2015 and was initially designed to support ERP expense and Smartboard refreshes. However, in recent years, it has been short of covering the college's Ellucian system costs. Our current revenue generated is based on a calculation of 121,000 credit hours x \$6 per credit hour = \$726,000 (average annual revenue). Our projected revenue is based on a calculation of 121,000 credit hours x \$10 = \$1,210,000. The cost of Ellucian increases annually by \$50,000 and will cost the college \$900,000 in FY26.

ACTION EXHIBIT NO. 17191

**SUBJECT: ONLINE COURSE FEE UPDATE**

**RECOMMENDATION:** That the Board of Trustees approve an increase in the Online Course Fee from \$25 per online course to \$35 per online course, effective fall 2025.

**RATIONALE:** The Online Course Fee was last updated in 2008 and is designated to cover the annual Blackboard LMS renewal cost. However, the current fee structure has not kept pace with increasing costs of technology. Our current revenue generated is based on a calculation of 11,600 courses x \$25 = \$290,000 (Average annual revenue). Our projected revenue is based on a calculation of 11,600 courses x \$35 = \$406,000 in revenue to cover the online course fees. The current annual cost for Blackboard is \$340,050, however, it will increase with our next contract renewal.
