Faculty Achievements

We are proud to celebrate the accomplishments of our outstanding faculty members. Seth McClellan, award-winning director, producer, and Mass Communication instructor, has just released a new documentary that has received rave reviews. Additionally, English Department faculty member Paul Martinez will hold the official release of his new book on Saturday, October 25, 2025. Congratulations to both on their achievements!

President's Update

The 29th Annual Triton College Foundation President's Reception is scheduled for Wednesday, November 19, 2025, at Elmcrest Banquets in Elmwood Park. This year's event will honor Maria Braglia of Maria's Mexican Restaurant and her family, as well as retired faculty member Russell Anderson (posthumously), recognizing their longstanding contributions and support of Triton College.

The reception, a signature celebration bringing together friends and supporters of Triton College, will feature specialty items prepared by the Triton College Baking and Pastry Program.

President Moore expressed her enthusiasm for the upcoming celebration and looks forward to sharing the evening with faculty, staff, students, and community members.
