

DID YOU KNOW?

Triton has its very own planetarium!

Opened in 1974, it is named after Eugene Cernan, an American Astronaut born and raised in Bellwood, and a graduate of Proviso East H.S. The planetarium, featuring artifacts like Cernan's space suit, also houses a dome theatre with regular showings on Wednesdays and Saturdays. Tickets are free for Triton College students!

HOW DO I DROP A CLASS?

Depending on your program, the class requirements may differ, so it is important to create an academic plan that matches your goals. You and your advisor can work on this together!

Every advisor has specific programs of focus, although any advisor is happy to help you.
